Kindergarten

Except for your child's headphones, all other supplies are community supplies and so please do not label them.

- 1 pkg washable markers
- 1 pkg crayons
- 24 #2 pencils
- 2 boxes facial tissues
- 1 composition notebook (to serve as their journal)
- 1 container Lysol or Clorox wipes
- 1 watercolor set (Crayola type)
- 1 bottle hand sanitizer
- 8 glue sticks
- 1 bottle Elmer's-type glue
- 1 labeled pair of headphones--simple is fine. They need to fit your child. Please no ear-buds, they are difficult for the children to use. They will use these every single day. Please have headphones in labeled gallon sized Ziploc baggie.

1st Grade

- **Backpack:** Every child must have a backpack with their first and last name on it. These will be hung on a specific hook outside the first grade homeroom. Since we have so many classes and teachers we need one reliable, convenient way to get all the papers home.
- **Headphones:** Every child must have headphones or earbuds to use at the homeroom computers. These also need to be labeled with first and last name. Computer-based instruction is a vital part of the Franklin Discovery model and our students will use computers at least twice a day. Please make sure you buy headphones that are comfortable and durable. Look for these features: being foldable, having a non-tangling fabric cord, comfortable ear covers, and an

adjustable headband. We have a hanging organizer to store them, but headphones will last much longer when also stored in a bag.

- Our students have had great results with these models:
 - Sony MDR ZX110 Series Stereo Headset
 - JLab JBuddies Studio Wired Headphone
 - Kanen I39 On-Ear Foldable Headphones
- **Communal Supplies:** Except for backpacks and headphones, all other school supplies are used communally. Please do not choose novelty editions or personalized items.
